Welcome

Successes this week

PROSPECTIVE PARENT TOURS

It was wonderful to welcome prospective new families to our school for the first of our open mornings. 

Thank you for the testimonials you kindly wrote for us to share with them and to our school ambassadors for leading the tour.

TUITION FROM SURREY ARTS

Thank you for your voluntary contributions in KS2 to allow us to offer children the opportunity to learn a musical instrument as a class. Otters loved their first experience on the toot!

SCHOOL COUNCIL ELECTIONS

Thank you to all the children who applied to represent their peers on our school council. I was very impressed by the children's responses and ideas, captured in their applications.

We revisited the concept of democracy in the assembly and discussed the importance of voting for the candidate we wanted to represent us, rather than because they were a friend. I am looking forward to announcing the results next week and to meeting with the new school council thereafter.

Attendance

100%

THANK YOU!

On Wednesday, all children were in attendance which is a fantastic achievement! Thank you for ensuring, your child consistently attends school when they are well. As per the NHS guidance, If your child has a cold/cough/headache, we would encourage you to send them to school. Please be reassured, we would always contact you if we felt they were too poorly to complete the day.

Collective Worship

INTERNATIONAL DAY OF PEACE

This week, we celebrated International Day of Peace, as part of our continued focus on 'blessings' this term. The children shares what brings them peace and this week I challenged them to take inspiration from Mother Teresa who spoke about the impact of sharing amsile.

Safeguarding

BENEDICT'S LAW

Following staff training in the wake of the introduction of 'Benedict's Law', we discussed the concept of an allergy in assembly this week. We highlighted important actions we can all take to ensure everyone at school can be as safe:

- Not sharing food
- Ensuring food containers are labelled
- Washing hands frequently
- We are a nut-free school.

Thank You

Please can we ask children refrain from bringing toys into school to avoid them being lost or damaged.

We were wondering if anybody in the school community had any links to the armed services and might be able to support us in a collective worship focused on Remembrance?
